

SEPTEMBER 17, 2002

Dear CASE District VI Colleague:

Students interested in promoting higher education through careers in alumni relations, development, publications, public relations, and government relations should apply for a student scholarship to attend the CASE District VI Conference January 12-14 in Kansas City. With the theme, "Mooving Beyond Sacred Cows," the conference will be held at the downtown Marriot Hotel. Professionals in CASE VI have long been pioneers in the advancement field. Students will learn about the many innovative initiatives taking place in the profession while interacting with professionals in an enlightening and thought-provoking experience.

The CASE District VI Student Scholarship Program helps prepare undergraduate and graduate students for careers in institutional advancement. If you know an outstanding student interested in one of the above areas, nominate him/her to be a student delegate at the 2003 CASE District VI Conference, January 12-14, 2003. (There will be a New Professionals Workshop on Saturday January 11) Previous recipients are not eligible to receive the scholarship.

Delegates participate in the full range of workshops and professional enrichment sessions. In addition, they discuss current advancement issues with professionals from the district. Three full-time students from the District VI region will receive scholarships.

The scholarship will cover the conference registration and New Professional workshop fee. In addition, there is a \$400 travel/housing stipend for those scholarship recipients who are outside of the conference's host city. Winners who reside or work in the host city are not eligible for the stipend, although their scholarship will still cover all conference fees and meals. Although not required, sponsors of the scholarship recipients are strongly encouraged to attend the conference. Applicants should send the attached form and a one-page typed statement to the chair of the District VI Student Scholarship Committee. The statement should explain the student's career objectives, related studies, employment, campus or civic activities and other experiences related to college or university advancement (including participation in a Student Alumni Association or Student Foundation).

Before submitting the application, return it to a CASE member for endorsement. Each CASE professional area (alumni, development, public relations) at each institution may nominate only one candidate for this scholarship.

The scholarship chair should receive the application (on the reverse side of this letter) and statement no later than October 25, 2002. Late applications will not be accepted. The Student Scholarship Selection Committee will notify all applicants in writing of their scholarship status by December 1, 2002. Interested students should submit the application and return it by October 25 to Steve Reed, CASE VI Student Scholarship Chair, Cottey College, 1000 W. Austin, Nevada, MO 64772

Good luck! If you have questions please call me at 417-667-8181, ext. 2140, fax to 417-667-8103 or e-mail sreed@cottey.edu.
